

intimus 32 CC3

Deskside Paper Shredders

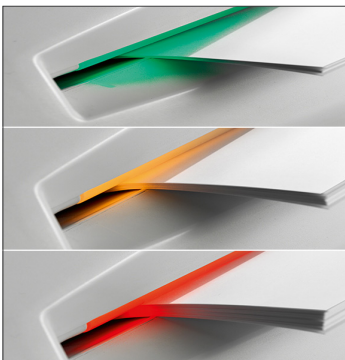

A Synthesis of Technology, Performance and Design

The **intimus** 32 CC3 Paper Shredder is a compact desktop crosscut unit that produces highly secure Level P-4 waste particles. Its small size and quiet operation make it the ideal choice for use in private offices, executive suites, small departments and small offices.

Like all **intimus** shredders the 32 CC3 is built from durable, precision engineered, high-performance components; is designed for a long trouble-free life; and is equipped with a wide range of ergonomic and convenience features.

In addition to paper the 32 CC3 also shreds credit cards, ID badges, & optical media (CDs/DVDs).

- Business office shredder with small footprint and attractive styling
- Low noise - Ideal for any office or department
- Intelligent controls with auto start/stop and illuminated indicators for bin full, door open and paper jam
- Auto Reverse for easy clearing of paper jams
- Dual feed openings for paper and other media
- Separate collection bins keep paper and other media segregated to aid in recycling
- Sealed dust-free durable wooden cabinet
- Mounted on casters for easy relocation

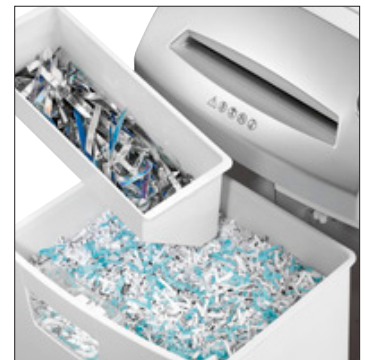

Dynamic Load Sensor and indicator to ensure paper is fed at the optimal rate

Intelligent controls with illuminated status indicators

Separate feed slots for credit cards, ID badges and optical media

Separate collection chambers keep paper and non-paper waste segregated
